

Controlling Supervisor (m/f/d)

CTI Systems S.à r.l. is a leader in the supply and installation of integrated automated manufacturing solutions in the area of heavy loads. Our portfolio includes automated material handling solutions, storage systems, surface treatment installations, assembly lines, software solutions for production control (MES) and integration of machines and installations from other suppliers.

Your main tasks:

- Preparing project status reports and deviation analyses;
- Carrying out cost accounting and cost simulations on project and corporate level;
- Coordinating and preparing the monthly reporting;
- Managing of VAT and corporate tax related issues;
- Preparing annual budgets and forecasts;
- Assessing current accounting operations, offering recommendations for improvement and implementing new processes;
- Preparing monthly and annual financial statements (LuxGaap and IFRS);
- Monitoring compliance with the annual investment plan;
- Coordinating activities of external auditors.

Your profile:

- Degree in accounting or finance at bachelor or master level;
- Minimum of 5 years relevant work experience;
- Experience in LuxGaap, IFRS is an asset;
- Fluent in English and German and/or French;
- Excellent IT skills, especially Excel, MS Office and ERP systems;
- Strong analytical and mathematical skills;
- Highly motivated, well organised and able to set priorities;
- Ability to manage multiple projects/tasks against tight deadlines;
- You work independently and remain critical on your own work.

We offer:

- A challenging job in an international and ambitious company;
- An attractive remuneration package;
- Excellent opportunities for professional and personal development;
- An open-ended contract.
